Hi Dave

I sent you this language in the meeting reservation for the March 17 meeting with Ecology on the Pend Oreille TMDL. I just wanted to see that you noticed it.

There is a conference line Ex. 6 - Personal Privacy so we do not need to ask Bella for that, though we should highlight it in the agenda or at least in a reminder before the meeting. The room I reserved has VTC capacity if you wish to use that. Below is a draft agenda, based on our conversation yesterday. Let me know what you think of it and then we can either send it out or run it by HQ and maybe Kim.

Agenda - Pend Oreille TMDL discussion EPA & Ecology

Greetings and Introductions – Dan

EPA background and context for this discussion – Dave (Jim K or Jim C?)

Potential for Flexibility in TMDL Implementation

Options for a Three Party Meeting – How? When? Who?
